**Directions:** In the center column, write down any details, ideas, or facts that both cases share. In the outside columns, write down the differences between the two cases.

| Tinker Case | <b>Both Cases</b> | Fraser Case |
|-------------|-------------------|-------------|
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
|             |                   |             |
